Dedication

Mr. William Rutter will be remembered by many graduates of Lockport Township High School for as many different reasons, but all must certainly remember him for his friendly nature, one that can seldom be equalled. His reassuring smile seems to make all tasks easy, all problems small.

Of tasks he knows well, for Mr. Rutter's record of service to our school and our community is a great one. He has undertaken the responsibility of being a coach, class sponsor, a hard-working husband, a father of four boys, a church choir member, a youth group advisor, and one of the greatest teachers of all time. His wit and enthusiasm make biology a real pleasure.

However, Mr. Rutter is using his ability and experience as an administrator. His valuable assistance at Lockport East High School has established his success in this new field.

Our thanks for your wonderful contribution to L.T.H.S., and in appreciation for many happy times we dedicate this book to you, Mr. Rutter.

WILLIAM R. RUTTER

Foreword

"We learn not for school but for life." Seneca's words influenced John Dewey when he stated his purpose of education, and they influenced Lockport Township High School today. Day after day we are forced to see these words as we rush down from the biology lab or shoulder our way up the stairs between games. But at last we are able to see that Seneca was right those many years ago . . . and his observation applies to high school years today.

Our years in high school are filled with trying and failing, and trying again. We are learning every hour of every day and we are learning for life. High school is a special place where we can learn by making mistakes. High school is a place where we can venture into the unknown and see how it suits us. High school is the time when we realize that we must take a place in the world . . . that we must educate ourselves to that end.

However, learning this is as old as the earth, and better men than we have written about it in more beautiful terms than we can. We would like to let these men tell you—for their pens have captured the essence of learning and life.

Here, then, is a year of your life. We have recorded it as it happened . . . you must trace your own progress through it. It has been a good year, even a great year. We hope you enjoy it.

In Memoriam

Steven E. Walters

Look on the rising sun there God does live,
And gives His light, and gives His heat away;
And flowers and trees and beasts and man receive
Comfort in morning, joy in the noonday.
And we are put on earth a little space,
That we may learn to bear the beams of love.

William Blake

People

A little learning is a dangerous thing;
Drink deep, or taste not the Pierian spring:
There shallow draughts intoxicate the brain,
And drinking largely sobers us again.
Fired at first sight with what the Muse imparts,
In fearless youth we tempt the heights of arts,
While from the bounded level of our mind,
Short views we take, nor see the lengths behind;
But more advanced, behold with strange surprise
New distant scenes of endless science rise!
So pleased at first the towering Alps we try, Mount o'er the vales, and seem to tread the sky,
Th' eternal snows appear already passed,
And the first clouds and mountains seem the last;
But, those attained, we tremble to survey
The growing labors of the lengthened way,
The increasing prospect tires our wandering eyes,
Hills peep o'er hills, and Alps on Alps arise!

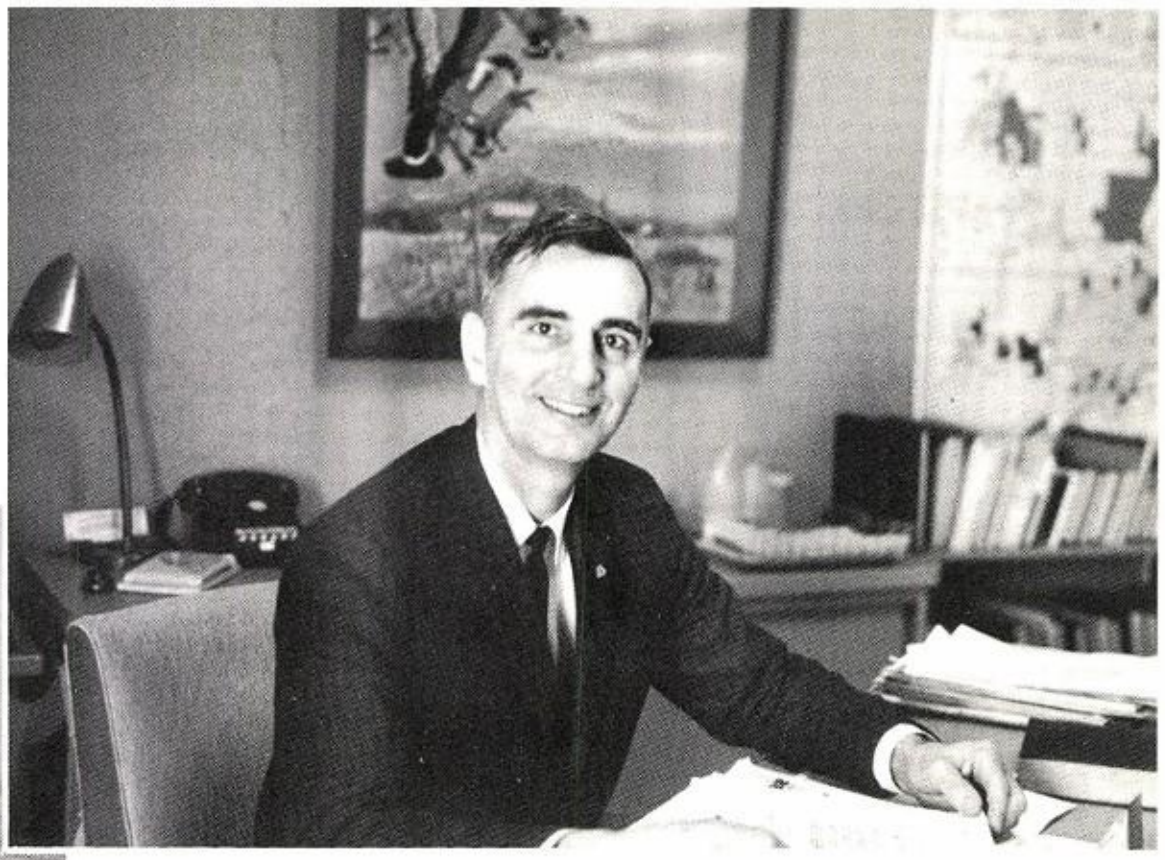
The Lockport High Schools found during this year a reliable, dependable, and cooperative friend in the Board of Education. The Board members combined their efforts constantly for welfare of their greatest concern—the students of the Lockport High Schools.

The Board of Education is constantly striving to prepare Lockport High students for their role as the future leaders of our great country, by making them stable, intelligent, and rational adults.

The Board sees to the hiring of the teachers at the high schools and works with the administration to enable the student to obtain the most from his high school years.

Dr. Blatnik, superintendent, ably co-ordinated the activities of all three Lockport schools this year.



Mr. Smith, our smiling assistant superintendent, pauses during a busy day for the *Lock* camera.

Mr. Aiken, head of the guidance department, is always on hand with a helpful smile

Success

One of the mainstays of the Lockport High Schools during the 1964-65 school year was the administrative staff.

The cooperation of the administration with the faculty provided all the help necessary for the students of our schools by seeing to the discipline, encouragement, and future plans of the mass of students placed in the care of these people. The administration also concerns itself with giving a helping hand to the students and seeing that the educational environment is favorable for all.

If it were not for the careful supervision of the administration along with efforts of the Board of Education, the faculty, the community, and the students themselves, the Lockport High Schools would not be the fine schools they are today.

Assistant principal, Mr. Rippe, and principal, Mr. Flink, control the affairs of Central High.

Mr. Johnson, principal of East High, and Mr. Rutter, assistant principal, give announcements over the intercom system.

This is our faculty. They serve us in many capacities. As teachers, they strive to the best of their ability to educate the students and prepare them for life, employing their knowledge and experience.

Also, the teachers devote much of their spare time to the sponsorship of extracurricular clubs and activities. But teachers also serve us in another way—as friends they are ready and willing to help students solve personal problems.

The science department's greatest job is to teach students to think objectively while reasoning independently. Principles learned from the text are made real by applying them in the laboratory. It is the science and mathematics teachers' pleasant task to acquaint students with the products of some of the world's greatest minds.

The social sciences have become more important because knowledge and understanding of the history of other nations as well as our own nation is essential to communication today. Our awareness of past history provides an opportunity for us to improve ourselves by learning from others' mistakes. The variety of social science courses at Lockport High School gives a student this broad background.

The Home Economics Department includes the courses: Foods, Clothing, Home Planning and Home Furnishing. Through these courses students can learn about managing a home and feeding a family.

The music department, including both choral and instrumental groups, strives to cultivate in the students a greater appreciation for music while offering them an opportunity to show and develop their own talents. Through concerts and assemblies these groups bring enjoyment to many persons.

Special Education, a new department this year, provides instruction for physically defective students and social counselling.

Because of its broad emphasis, this department aided many during its first year.

A thorough understanding of the English language is necessary in order for us to communicate with one another. Courses in English give us a good background in grammar, vocabulary, and spelling, and they increase the effectiveness of communication.

The library provides a good atmosphere for studying and makes available many books for reference as well as pleasure.

The business department offers courses which give experience and help prepare students for careers in the business field. The students learn to type, take dictation, run office machines, and balance accounts and ledger books. Because there is an increasing demand for people in the business field, more emphasis is being placed on the "business" education courses of students.

Foreign Language helps students learn the grammar, conversation, and vocabulary of the language. It is taught with the help of films, books, and tape recorders. French, Spanish, Latin, and German are offered at the Lockport High Schools.

Since physical fitness is an integral part of everyone's life, especially growing young adults, it is important in our curriculum. Gym classes engage in football, volleyball, baseball, basketball, swimming, and tumbling. Also, an important part of physical education is Health, Driver's Education, and Driver's Training.

Mrs. Bernot manages the East bookstore, while Mrs. Horschler aids the East counselors.

Mrs. Pike, Miss Escobedo, and Mrs. Jones assist the East Administration in secretarial work.

Our Staff

Mrs. Pratt performs many necessary jobs for the Central counselors.

Lockport Central's secretaries, Mrs. Mumaugh, Miss Babich, and Mrs. Manthey, are always ready, willing, and smiling.

A never tiring group of women are the District 205 secretaries, Mrs. Ayers, Mrs. Meader, Mrs. Geddes, and Mrs. Medek.

Central janitors: Clarence Johnson, Joe Brennan, John Finco, Dick Longhini, Joe Nichele, and Clarence O'Brien.

Central cafeteria ladies: Cornelia Skeldon, Helen Woock, Hadie Swanson, Hazel Adamson, Doris Holland, Ruth Kurth and Judy Olson.

Served Us Well

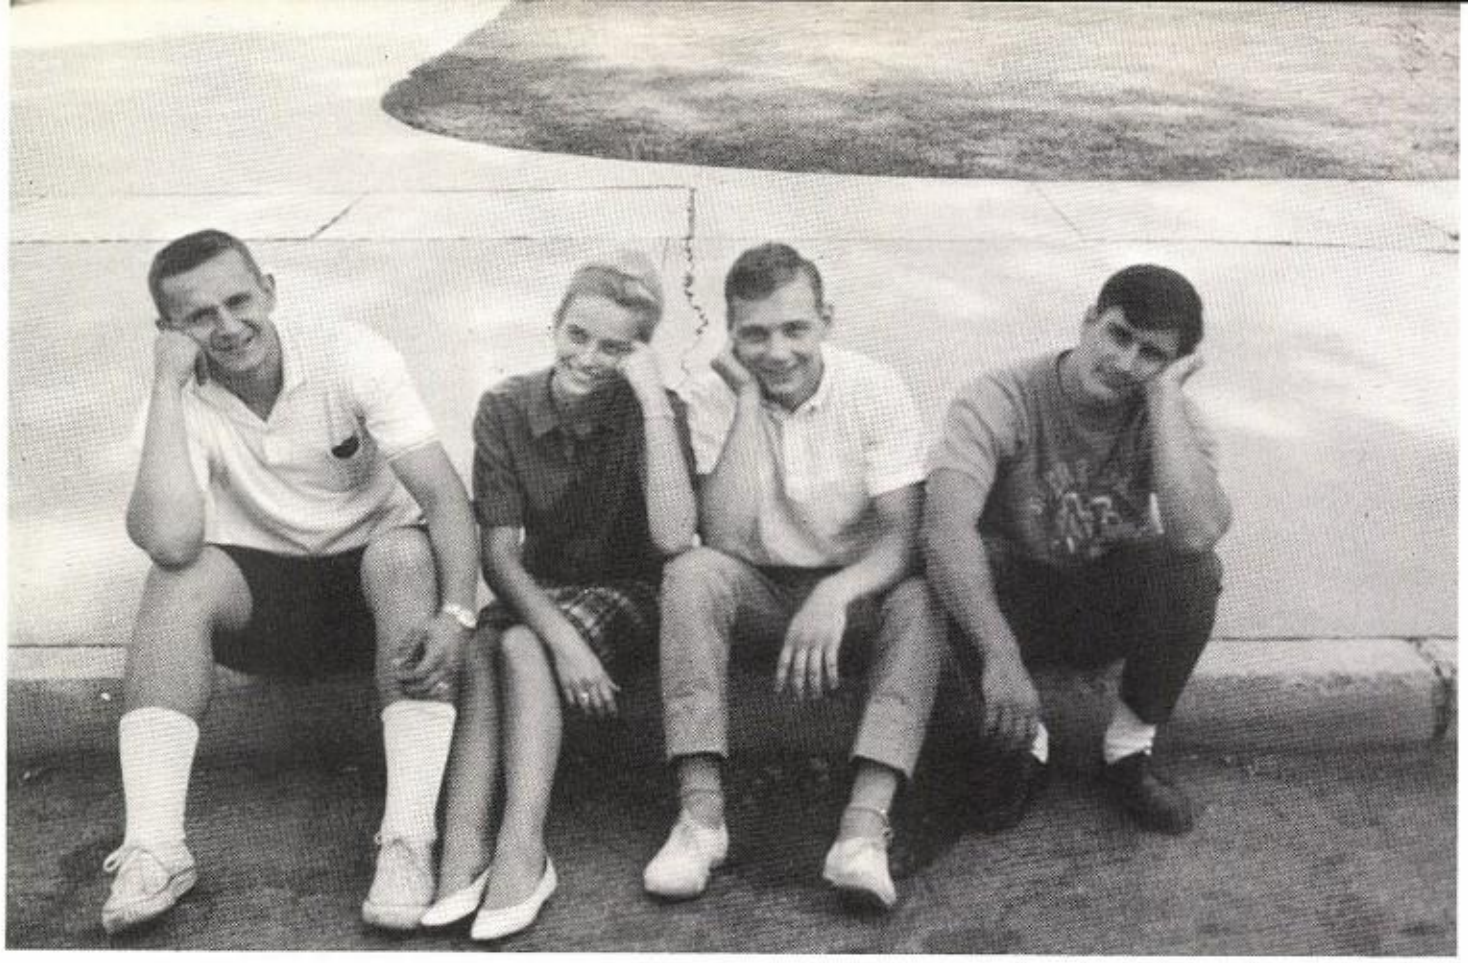
The competent and reliable office staffs of Lockport East and Lockport Central work especially hard to keep these two schools operating smoothly. Their assistance, welcomed by all, is a vital factor of our schools.

A never tiring group of able bodied men is the maintenance crew. These men work both day and night keeping the Lockport High Schools in efficient running order. Their services are greatly appreciated by all.

Our industrious cafeteria workers provide us with lunches daily. Their day begins early each morning as they begin to prepare food for the student body. When the bell rings for the beginning of lunch period, they are ready to serve us our meals.

East cafeteria ladies: Irene Pearson, Theresa Johnson, Gladys Edson, Lois Piazza, Edith Minen, Mary Rodriguez.

East janitors: Andy Kwansniewski, Richard Constable, John Laucks, Ervin Fox, Robert Ftacek, Fred Davis, Jack Rice, and Rita Pesavento.



Seniors don't sit down on the job; they just relax a little.
Senior Class officers: Jerry Pochynok; Treasurer, Marsha Francis, Secretary; Roger Anzzolin, President; Tom Zander, Vice-President.

Fall

No man can reveal to you ought but that which already lies half asleep in the dawning of your knowledge.

The astronomer may speak to you of his understanding of space, but he cannot give you his understanding.

The musician may sing to you of the rhythm which is in all space, but he cannot give you the ear which arrests the rhythm nor the voice that echoes it.

And he who is versed in the science of numbers can tell of the regions of weight and measure, but he cannot conduct you thither.

For the vision of one man lends not its wings to another man.

And even as each one of you stands alone in God's knowledge, so must each one of you be alone in his knowledge of God and in his understanding of the earth.

Fighting Porters

Our able coaching staff: Coaches Larry Vance, Bill Zimmer and Mel Deskin.

This year the Fighting Porters of Lockport High School posted the best season since 1945, with a record of 6 wins, 2 losses and 1 tie. This successful season was due to a hard-working group of boys and a marvelous coaching staff.

After opening the season with a heart-breaking 6 to 6 tie with Kankakee, the Porters went on to three straight victories. The first, a 30 to 6 victory over Joliet Central, was followed by a 3 to 0 win over Argo on a Pochynok field goal, and a 22 to 7 victory over Bloom. This win against Bloom brought our team the WLS Team of the Week Award for the second year in a row.

The next game, Homecoming, the Porters dropped a half-time lead and fell to Thornton, but came back the following week for a 35 to 13 victory over Joliet West. Then our team suffered its second setback in the form of a 27 to 13 loss to Blue Island Eisenhower. The Fighting Porters rounded out their season with two more victories over Thornridge and Joliet East.

With Mike Murawski, Gary Bond, and Dwayne London as tri-captains, our eleven returning lettermen and the rest of the squad amassed many new records. Murawski averaged over 50 yards in punting and Jerry Pochynok kicked three field goals.

Four Lockport players won honors. Jerry Pochynok received special mention in the All-SSL balloting, while John Rogers was chosen All-SSL defensive halfback. Gary Bond also was an All-SSL defensive end and was given special mention in the All-State balloting. Mike Murawski received the greatest honor of all. Besides being All-SSL, All-Area, and All-State end and linebaker, Mike was chosen as All-American end.

So many honors won by individual players could only have been possible through the backing of a team of consistently fine players. The unusual depth in able reserves was put to maximum use through the "cagey" strategy of the coaches, and the result was a record-breaking combination.

Sophs Show Spark

The sensational sophomores from East High turned in a very successful football season this year. Any time a team can post a record of three wins, three losses, and three ties in competition as rugged as that found in the South Suburban League, they are really top-notch players. It also must be noted that, excluding the game with Thornton, the Portermites' gridiron crew was never beaten by more than one touchdown. The team romped over Argo by the score of 32 to 0, and battled to a scoreless tie with two powerful opponents, Blue Island and Kankakee. Coaches Jerry Fornoff and Robert Wolfer are responsibile for leading the boys to these notable accomplishments. Sixty eager players came out for this year's team. The prospects for next year's varsity team are very bright thanks to the fine display of ability exhibited by this year's apprentice Porters.

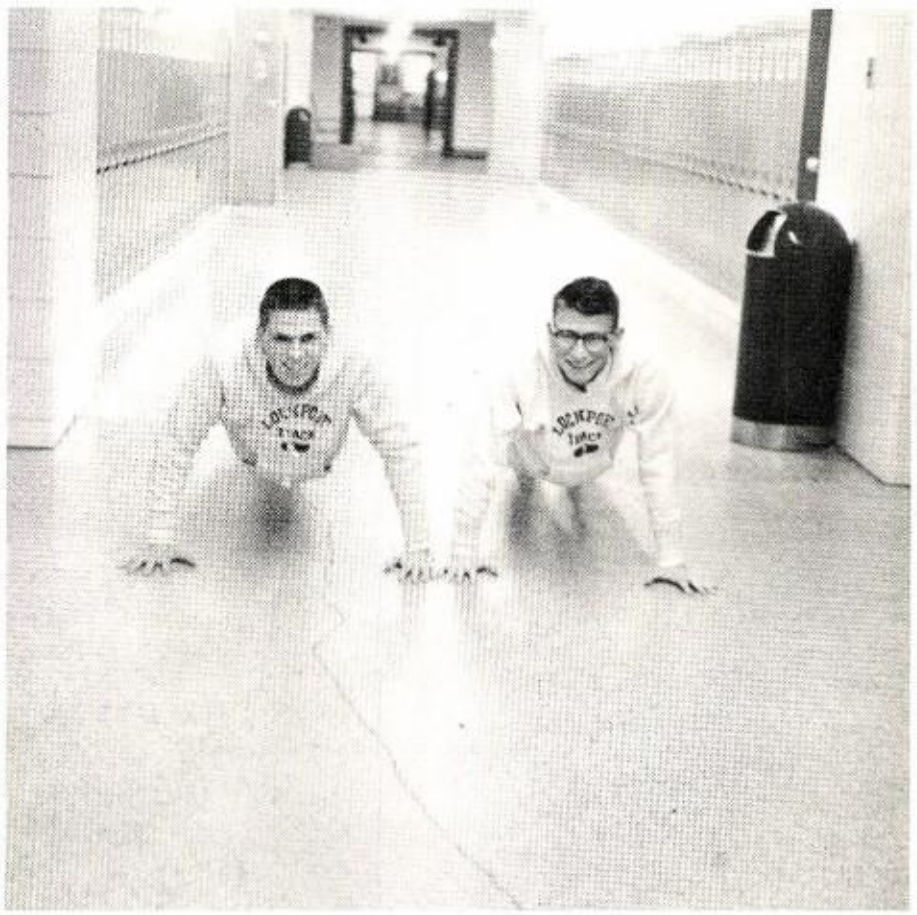
Connor's Country Milers

Our Harriers

This year's squad of multi-milers faced tough competition throughout the season. Our harriers are coached by Bill Connors. The squad this year, consisting of thirty-one harriers, completed an eventful year with a fine display of sportsmanship and determination. Coach Connors is to be congratulated for his fine work in the training of our cross country team.



Determined to do their best, Bill Barney and Bill Brill are giving an extra push for the cross country squad.

That Was the

Year by year Homecoming has grown until now it is an event everyone looks forward to as one of the highlights of the year. "Enthusiastic" well describes the students as all pitched in to make their float a first place winner. The fun of working together and striving for a common goal helps to unite the classes and generates an over-all feeling of pride in our team and school. The game aroused many hopes and many cheers but the high hopes and loud cheers were dimmed despite an amazing effort on the part of our team. But the pride was never dulled, At the end of the day we burned our floats; but the memories will remain for a long time to come. The next evening ushered in the Homecoming dance, and with it came a feeling of delight as we danced to the songs of the Jaguars and enjoyed the music from the first wild step to the last slow dance of the evening, a beautiful climax to a beautiful event.

With emotion, Linda Starr enacts this touching scene.

O men, Amen!

As the curtain closed, the enthusiastic applause of the audience was concrete evidence that the Jr. Class play, O Men, Amen! was a smashing success. This light comedy concerning the strictly anti-male sorority Zeta Zeta Phi was given plenty of zest by a very capable cast directed by newcomer Miss Sharon Wilborn. Students were especially responsive in identifying with the play's "characters"—one of the zaniest collections seen on the LTHS stage in years.

Colombian Project

Under the leadership of co-presidents Mike Dubrovich and Gary Bond, the Student Council again shouldered the responsibility of communication between the student body and the faculty.

In addition, their services in the concessions booth, coordination of elections, and promotion of school spirit eased the operation of Lockport Township High School.

An added responsibility was that of bridging the gap between the two schools composing Lockport Township High School. By coordinating the affairs of the East Campus Student Council through Mark Ogren, Speaker of the Lower House, the co-presidents were able to fulfill this responsibility.

In the school year 1964-65 the Student Council of Lockport High School became the first student group to participate in the Peace Corp's School-to-School program. By matching the $500 gift of the First National Bank of Lockport, they provided materials for a school in Colombia. This program offers L.T.H.S. the opportunity to create a lasting and meaningful mark upon the future of both itself and the generations who will benefit from the school.

Not only has this active participation aided the generations of Colombian students who will enter the school, but it has also allowed the students of Lockport Township to bring to the world they will soon be entering an experience of creative leadership.

Get a horse.
East Student Council sponsor, Mr. Ziech, rests on the shoulders of Mark Ogren and Melvin DePra.

Labors Rewarded

Each L.T.H.S. student looks forward to the distribution of the Lock, but few consider the tremendous amount of work involved in the preparation of such an annual. Only through the co-operation of the Lock Business and Editorial Staffs can such a task be accomplished.

The Editorial Staff is primarily concerned with the structure of the yearbook including the layout, dummy, copy, and proofreading. The members of the Editorial Staff work long and hard in order that a true picture of Lockport High School can be given in our Lock.

The Business Staff's main concern is that of helping to get the books sold and delivered. They do this by selling Lock subscriptions, by handling class pictures, and by organizing the Lock Staff dances.

With the help of sponsor Mrs. DeVita the staff has put together a Lock which contains the many cherished memories of the year 1964-65 at Lockport High School.

The Changing Times

In spite of everything, the news must come through. Our TIMES staff faced a new obstacle this year when one school became two, but with the help of capable sponsors, Mrs. Mitchell and Mr. Sheffield, they managed to come through in good form. Two staffs, working together toward a common goal, combined their efforts into one paper that helped link the schools together. Editors Connie Maske and Pat Sippel led their flock to meet deadlines, cover special events, and gather all the little gossip that makes a school paper worthwhile. Circulation of the newspaper was supervised by the business managers, Shirley Skeldon and Karen Baumgartner.

The hard-working TIMES people can be proud of their efforts in publishing the news and can be sure the experiences they gained this year will help them throughout life.

The East staff proudly examine their handiwork. Members are Mary Vruels, illustrator; Mr. Sheffield, sponsor, Pat Sippel, editor; Karen Baumgartner, business manager; Dinah Simmen, copy editor.

Choristers Charm

The division of LTHS into two campuses has increased participation in choruses and small groups. The A Cappella Choir, Advanced Girls' Choir and junior sextet groups at Central campus, gave us much enjoyment during the year. The Madrigals, who enjoy the merry music of the 16th Century are upperclassmen from the A Cappella Choir.

The east campus has a choir and a sophomore sextet. All involved enjoy the pleasant and sometimes vigorous experience each day.

Since there are two separate schools this year, Mr. Donald Mients, the choral director of the Lockport High Schools, commutes between Central and East High. Under his fine directorship the chorus presented a Christmas program and the musical, "Little Mary Sunshine." The participation in the choral department provides an excellent opportunity to develop an appreciation of music while having fun.

Winter

The eagle soars in the summit of Heaven,
The Hunter with his dogs pursues his circuit.
O perpetual revolution of configured stars,
O perpetual recurrence of determined seasons,
O world of spring and autumn, birth and dying!
The endless cycle of idea and action,
Endless invention, endless experiment,
Brings knowledge of motion, but not stillness;
Knowledge of speech, but not of silence;
Knowledge of words, and ignorance of the Word.
All our knowledge brings us nearer to our ignorance,
All our ignorance brings us nearer death,
But nearness to death no nearer to God.
Where is the Life we have lost in living?
Where is the wisdom we have lost in knowledge?
Where is the knowledge we have lost in information?
The cycles of Heaven in twenty centuries
Bring us farther from God and nearer to the Dust.

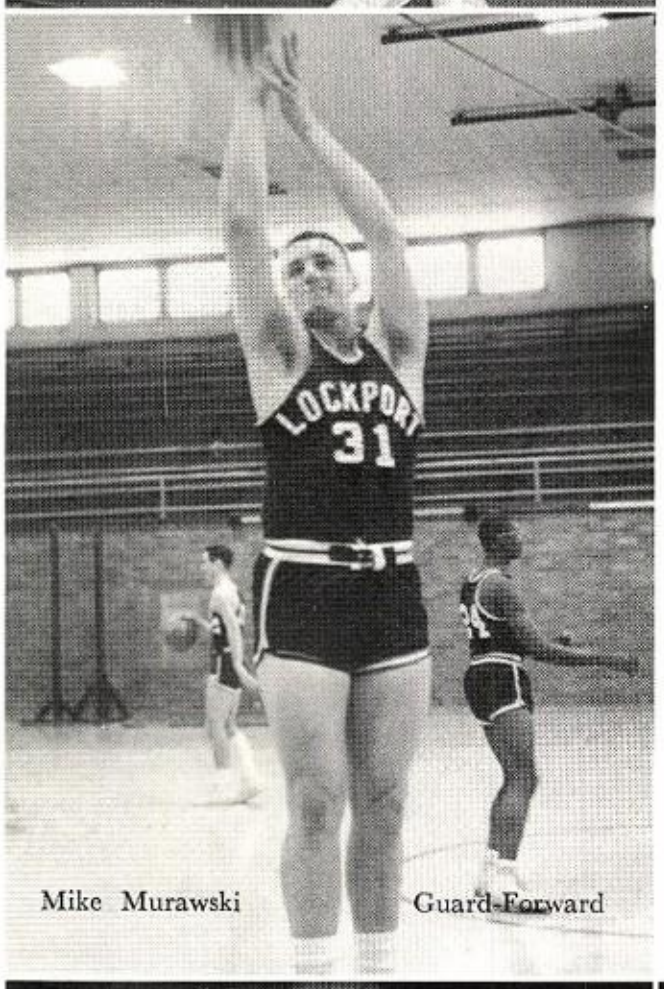
John Rogers Guard



Mike Murawski Guard-Forward

The 1964-1965 varsity basketball squad under the direction of Coach Bill Connors compiled the greatest record in the history of Lockport High School, 27 wins and only 4 losses. The four losses came at the hands of Pekin, the winner of the Pontiac Tournament, Crane Tech, Thornton, the first place team in the South Suburban League, and Collinsville, the State prep champ. Enroute to this fine record, the Porters captured first place in the Lockport Invitational Tournament, second place in the Pontiac Holiday Tournament, second place in the South Suburban League Conference, first place in the Regional, first place in the Sectional, first place in the Super-Sectional and a tie for fifth in the State Finals! The team was the first Lockport High School basketball team to win the Sectional and become one of the state's "Sweet Sixteen," to win the Supersectional and become one of the state's "Elite Eight," and to play in the State Finals at Champaign.

There were seven main reasons for the success of the "fighting" Porters this year. The first reason was John Rogers, a 6′ 2″ senior guard. John, who lacked experience at the beginning of the year, developed quickly and became the undoing of many opponents' presses. The second reason was Mike Murawski, a 6′ 3″ senior guard-forward. Mike was the most consistent player on the team. His specialty, 20-foot jump shots from the side and the corner, many times helped the team pull away from or catch up to the opponents. The third reason was Dave Ramsden, 6′ 7″ senior center. Dave was the team's leading scorer with a 16.1 average. Dave's tremendous shooting touch, which caused 186 of his 218 shots from the field to rip the cords, made the difference in many tight games. Dave was chosen for the All-Conference team and received honorable mention in the State Finals. The fourth reason was Ray Meader, 6′ 2″ senior forward guard. Ray was the team's leading free throw shooter sinking 61 of 77 for a .792 percentage. Ray was a very strong offensive player and improved his defense as the year progressed. The fifth reason was Bill Ford, 6′ 4″ senior forward. Bill was the team's second leading scorer, the leading rebounder with an average of 11 caroms per game, and the team's Most Valuable Player. Bill was selected as a member of the All-Conference squad and the number seven man in the Elite Eight Tournament at Champaign. The sixth reason was Jim Kalmes, a 6′ senior guard. Jim was the leading reserve of the team. In the words of Coach Bill Connors, "Jim is the number one reserve in Lockport history!" Jim's cool head helped the team out of many tight situations. The seventh reason was Coach William Connors. In his eight years of coaching at Lockport High School, Coach Connors has compiled a record of 149 wins and 63 losses for a .703 percentage.

This season's fans saw some exciting moments. In non-conference action, Crane Tech edged us by one point in an overtime period on a 40-foot jumper that caught the buzzer. Our greatest game of the season came in Super-Sectional play at Bradley University against Pekin, last year's State Champs. The Porters were victorious by a 67—61 margin. This victory at Bradley helped to avenge the earlier loss to Pekin 71—44 in the Pontiac Tournament. For the entire season the team shot .488 from the field and .679 from the Charity stripe, and averaged 63.1 points per game. The words of Coach Connors sum up the excitement of this wonderful year: "Now that we have had a taste of that State Tournament, we're going to want some more of that in years to come. Every team that is going to play for Lockport now is going to have a little more incentive and a lot more to go on!"

The end of a successful season immediately brings thoughts of the coming one and of new ability among the underclassmen. The Freshman and Sophomore basketball team serves as an excellent training ground for future varsity players.

The sophomore team compiled an excellent 17—4 record while giving experience to many boys who will play on the varsity squad next year. One fine sophomore, John Handy completed the season playing with the varsity and earned a place on the tournament team.

Lockport Central High School can look forward to continued basketball success, if the record compiled by the Lockport East freshmen is any indication. East, a feeder school for Central, did not lose a single game this season. The unbeaten frosh and successful sophs are pictured here with their coaches Bob Basarich and Jon Hawthorne.

On March 31, and April 1, and April 2, the "L" Club sponsored its annual Interclass Tournament. The tournament consisted of contests between the freshmen and juniors and between the sophomores and seniors. The winning freshmen and juniors played to determine who would meet the Fearless Faculty.

The Juniors challenged the faculty and provided many thrills for those watching. The game was tied as the final buzzer sounded, but Mr. Larry Vance was fouled with one second remaining. By making both free throws good, he put the faculty ahead by two points, 47—45.

In addition to the faculty game, the eighth grade "all stars" played the freshmen team. These "all stars" provide many of the future Lockport basketball stars. These games benefit the "L" Club as well as provide fun for all.

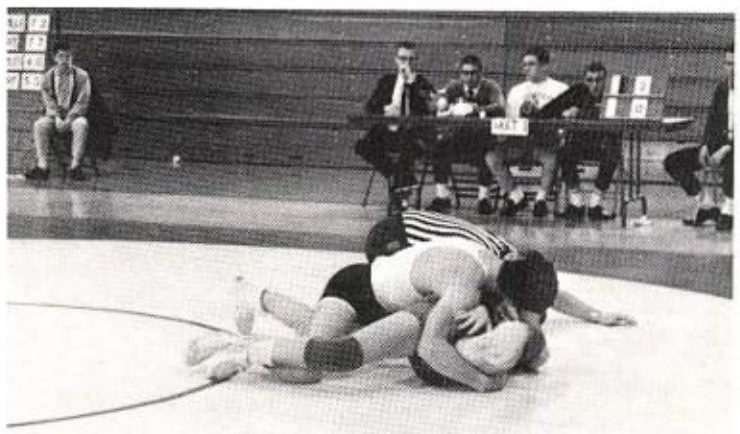
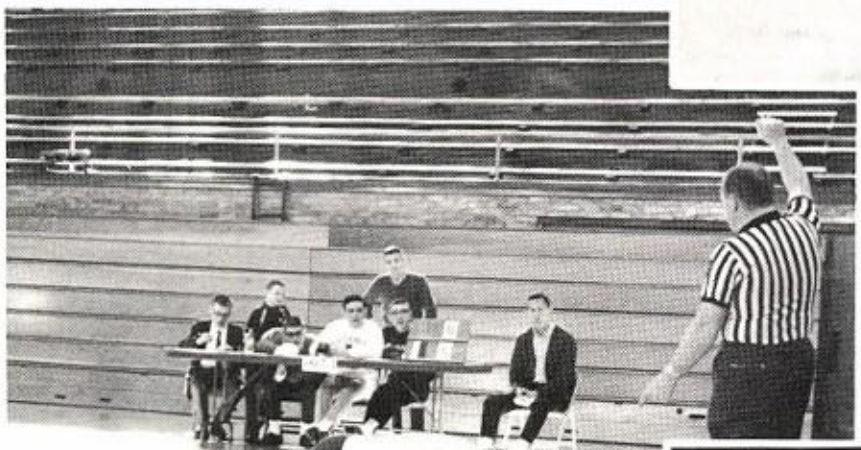
Wrestlers Win First

The monsters of the mat, Lockport's wrestlers, this year came up with their best season ever. Coached by the master grappler, Bill Zimmer, the wrestlers produced a dual meet season's record of 7 wins and 4 losses. Among those teams beaten were Thornton and Joliet Central who had never before been defeated by Lockport in wrestling. In the conference meet the team placed third with three boys winning championships in their weight classes. The wrestling twelve set another Porter record by winning their first District Wrestling Meet and advancing eight mighty musclers to Sectional competition. Here the Porters surprised everyone but Coach Zimmer by winning the championship and Lockport's first Sectional trophy in any sport. Four boys, Mel Scott, Gary Bond, Roger Anzzolin, and R. V. Adams, went on to the State finals at Huff Gym in Champaign, where Gary Bond powered his way to a fourth place. Six varsity wrestlers will return next year to bolster the Porter squad.





Mel Scott, who tied for 6th in the State in the 133-pound weight class, overpowers his opponent with this pinning combination.

Swimmers Smash Records

Porter swimmers have splashed their watery way to a successful season this year. With Coach Charles (Sink-or-Swim) Beseman at the helm, the varsity team sailed to a record of 3 wins and 10 losses. This is quite an achievement considering the fact that our swimmers are handicapped by the small size of our pool and the lack of diving facilities. Those teams that were washed by the wake of defeat were Oak Lawn, Tinley Park, and, in a quadrangular meet, all three Joliet Township schools. The porpoising Porters also swam close battles with Argo, Bloom and Kankakee, and produced a second place trophy from competition at the Argo Invitational Swimming Meet. In the course of the season several varsity swimming records were shattered.

A relay team of John Reed, Jim Cronholm, Greg Misius and Brian Smythe set new marks in both the 160 yard and 200 yard freestyle events. Dan Pounovich, a freshman with fins, chalked up five new varsity records on his own, as well as a new conference record in the 100 yard individual medley on the sophomore level. This accomplishment is unprecedented by a Lockport swimmer. As a team, the Frosh-Soph turned in an admirable performance this past season. They posted a fine record of 6 wins and 6 losses, placing fourth in the conference. With Coach Jerry Fornoff urging them on, the Portermites of the pool paddled to several new team marks, and are showing great promise for the future. From now on, it's look out for Lockport in swimming.

G.A.A. Spells Success

Girl's Athletic Association,—an activity open to and enjoyed by many girls, has once again shown a success-filled year.

Lockport East High's program proved a complete success in its first year. Girls were able to participate in all sports as at the Central Lockport High School's already established program.

G.A.A. offers tennis, volleyball, basketball, bowling, lifesaving, basketshooting, badminton, tumbling for all interested girls. These sports are offered to all girls each year.

At the end of the year, girls receive awards according to the number of points they have earned. For every hour of participation each girl receives three points toward an award of a pin or letter.

G.A.A. membership is a thing all girls can enjoy. A debt of gratitude is owed the physical education teachers who give of their time and talents to make the G.A.A. program a success.

Hey! This dodge-ball is for the birds.

Porter Pepper Uppers

Backing Lockport all the way were the eight Porter pepper uppers. Through rain and snow, the six upperclassmen and two Sophomores kept the crowds cheering and boosted school spirit, as well as illustrating good sportsmanship.

Guided by Mrs. Klint and led by Senior co-captains Gerry Damaska and Penny Morse, the cheerleaders encouraged everyone, not only the teams to "fight for old LTHS."

Practice normally came twice a week for the cheerleaders, but, like the team, additional time was put in before the State Basketball Tournament.

These eight pepsters did a fine job keeping school spirit alive in victory or defeat. Thanks for a great year!

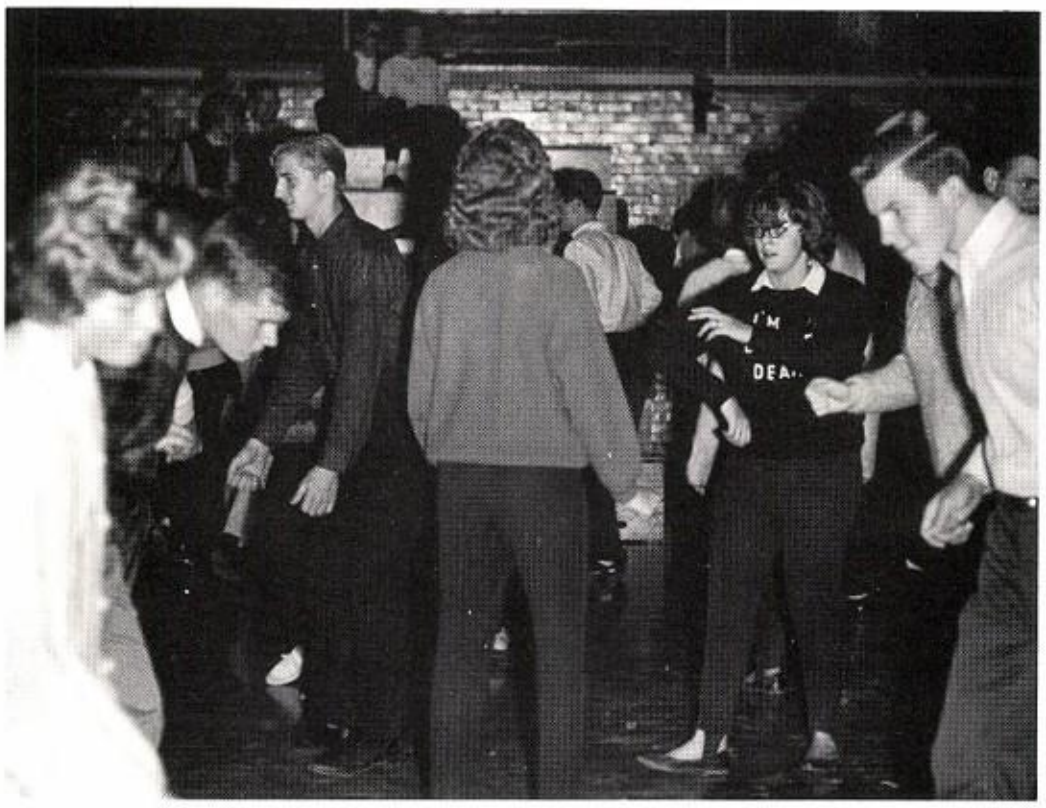
The LOCK dances are a wild mixture of people in all kinds of moods . . . from the sedate to the near-frenzied.



Pleasure and Profit

A victory calls for a celebration, and that is exactly what students of Lockport High did after football and basketball games. On the weekends enthusiastic fans crowded in the gym for a few fun-filled hours. Here they gyrated to the sounds of many popular local bands. These dances served not only as a casual get-together but also helped to promote school spirit.

Mistletoe Magic

A dreamy holiday atmosphere was created on Saturday, December 26. "Mistletoe Magic" was held in the cafeteria with the Bob Anthony Trio, providing the music.

The decorations were lovely in the traditional red, green and white, with a mistletoe kissing ball in the center of the dance floor.

The evening was highlighted with the coronation of the king and queen. Seniors Mary Ogren and Ken Senffner were chosen. Because of the efforts of LOCK Staff members, "Mistletoe Magic" was a highlight of the holiday season.

The Future Teachers of America, under the capable leadership of Mr. Polley, the faculty sponsor, and Cheryl Gunchin, the club president, had a highly successful tutoring service for the students of Lockport Central and Lockport East High Schools.

In April for two days, the juniors and seniors did cadet teaching in the local grade schools. From this experience, the students learned about the different grade school systems.

At the club's meetings, several people spoke about different phases of teaching. Mrs. Duston, a prominent English teacher, and Mr. Bean, the senior counselor, were two outstanding speakers. Also, club members spoke about their views on such topics as the role of a teacher and classroom situations.

A very successful and beneficial year was enjoyed by all members.

Witchdoctors, Unite!

As stated in its constitution, the purpose of the Junior Medical Club is to stimulate an interest in the various fields of medicine. With the constitution as a foundation and with Mrs. Verna Habenicht as a leader, the club strives to attain its goal.

Meetings are held twice a month. One is devoted to the business of the organization, while the other is reserved for special features, films, and speakers. In addition to these, field trips are taken for a first-hand idea of the world of medicine.

As the population increases, so will the demand for trained medical personnel. For this reason, the Junior Medical Club of Lockport High continues to prepare its members for their future vocations.

If you can't be healthy, you might as well be happy.

Business Leaders of Tomorrow

One of the many beneficial clubs at Lockport High this year was F.B.L.A., Future Business Leaders of America. Under the guidance of Mrs. Manwaring, these students are able to hold regular meetings. These meetings often include guest speakers and panel discussions.

By holding bakesales, the club was able not only to bring in a sizable profit but also was able to gain valuable information for their chosen vocation.

For students planning on entering this profession, F.B.L.A. provides them with the insight and experience of the business world.

Future Farmers Plan Ahead

The Future Farmers of America is a group of agriculturally minded boys who have joined together to practice brotherhood, honor rural opportunities and responsibilities, and develop those qualities of leadership which a Future Farmer should possess.

In F.F.A. each member is required to keep records on his own projects such as raising soy beans, small grains, rabbits and swine.

The F.F.A. offers many services to the school, two of which are a coat-check at basketball games and an ushering service at football games. In addition to these activities, they hold an annual car wash and paper drive to raise funds.

Under the direction of their Ag. teacher and sponsor, Mr. Lawrence, the Lockport Chapter represents Lockport High School well by receiving high ratings in soil, meat, and milk judging. The Future Farmers also do well in parliamentary procedure and public speaking.

Projectionists are tireless workers. They carry projectors up and down stairs, run P.A. systems, control the lights for plays, and perform many other invaluable tasks which most students take for granted. This year there are two separate clubs, one at Central and one at East. Under the capable supervision of Central's sponsor, Mr. Paul Jorgenson and East's sponsor Mr. Roger Senft, the projectionists render their services to the faculty in the audio-visual aids program.

One of the main sources of communications here at LTHS is the Wednesday night radio show, Crew Cut Capers, on WJOL. Important announcements, delightful gossip, and current hits provide material for this radio show. Student announcers working along with WJOL's Jerry Halas bring the news of school events to the public. Students also conduct interviews and collect little-known newsy items which they make widely known.

By trading off from week-to-week, all student announcers have an opportunity to participate in this activity. Both schools, East and Central, are equally represented. Their listeners certainly appreciate their efforts in spreading news and good cheer.

Lockport had great expectations for its 1965 varsity baseball team, and although we all wish that they could have done better, they did turn in a fine effort that produced a very successful season. This was head coach Nelson Nedde's first season at Lockport Central and his leadership was made evident very quickly as he led the team to a record of ten wins and six losses, losing no game by a margin of more than three runs.

Seven lettermen from last year return to give this year's team a lot of beneficial experience. Pitching support was supplied by hurlers Jim Huwaldt, Mike Ebenroth, Tex Lane, and Ted Ward. Other outstanding players were John Rogers and All-Conference star Mike Murawski.

By playing games at night under the lights this year, attendance was greatly increased so that many more students got to see our great team in action.

The 1966 Porter baseball team will receive a great deal of support from this year's sophomores. Coached by Larry Vance, they came through with a spectacular season and tied for first place in the Conference.

Serve Fine Season

The varsity tennis team posted a seven win and eight loss record, the best in the past several years. The team was studded with juniors so next year is very promising. The frosh-soph squad had a four and eight record. This year's team had the unique experience of playing non-conference matches against Crown Point, Indiana. Jan Carter, a senior, was the first man singles all year, while Ron Caneva, a junior, was second man.

Although the track squad's record wasn't superior this year there have been some notable achievements made that seem to indicate next year's team will be one of the best in the history of LTHS. The team, coached by Bill Jackson, Al Bean, and Ed Cisler, won only two meets and tied one, but several others were very close contests.

Some outstanding individual efforts highlighted the season. A varsity school record was set in the mile relay and sophomore records were set in the broad jump, the 440 yard dash, and the 880 yard run. John Handy, who won the broad jump in the district meet, was the only one to qualify for the state track meet.

Other commendable performances were turned in by Barry Brubaker in the hurdles and Bob Rogers in the high jump.

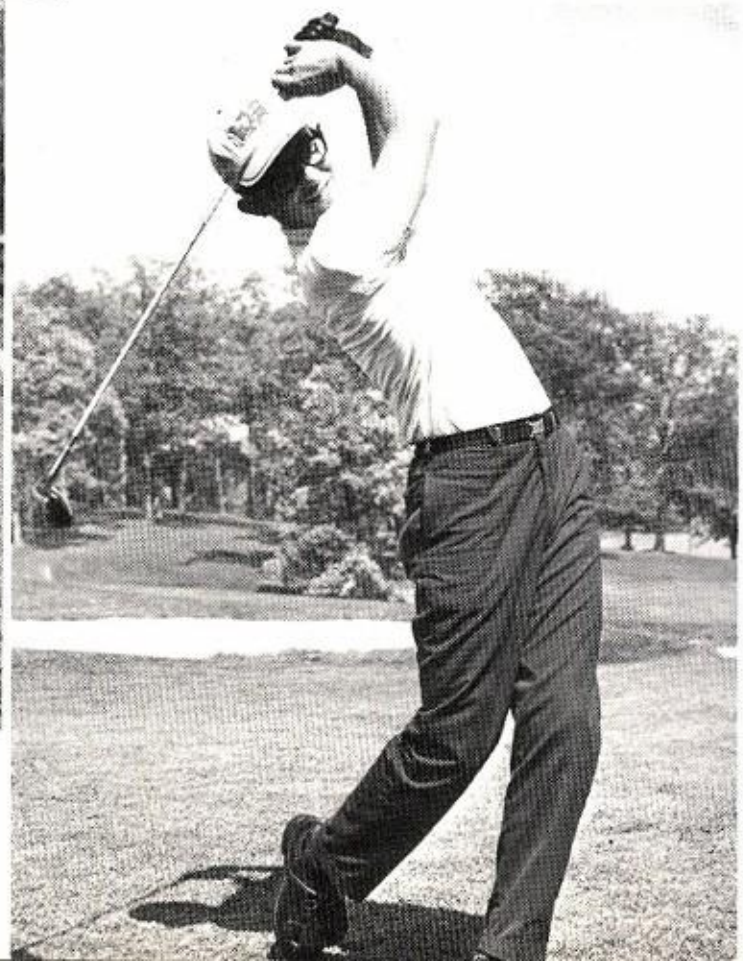
Hole in One Men



This year's golf team was paced by three sophomores, one junior, and one senior. The sophomores were Del Bitter, who set a new low 18 hole total of 71, Larry Vernon, and Dave Strandberg, who was Conference medalist, District medalist, and went down state. Doug Ingram and Matt Pisut were the other regulars. Their record was 11 wins, one loss, and one tie. Lockport's dimination of South Suburban golf ended this year after two years in a row with the loss of the Conference Meet to Joliet West.

"L" CLUB OFFICERS: Roger Anzollin, Treasurer; Jim Kalmes, Secretary; John Rogers, Vice-President; Mike Murawski, President.

The "L" Club sponsored by Mr. Zimmer, again had a banner year. In their attempts to promote school spirit they have backed many activities. They sold mums at Homecoming, ushered at home basketball games, sold school license plates, contributed toward bus transportation to the state basketball tournament, and sponsored the intra-mural basketball tournament. The "L" Club also held its annual dinner dance this year at Valley View Farm and its annual picnic at Delwood Park. With these services and activities as evidence, the "L" Club of 1965 has proved once again to be one of the finest organizations found at Lockport Township High School.

Athletes Entertain

Soft lights and dreamy music set the enchanting mood for the annual Lettermen's Dance held in the Hayloft Room of Valley View Farm. The tunes of George Sochan's orchestra provided the romantic setting for the school's outstanding athletes and their dates, as well as faculty members.

A delicious buffet dinner was served in an elegantly decorated ballroom. Afterwards couples waltzed from the first song to the last, creating enduring memories of a wonderful evening.

After this exciting year of athletic achievement, it was not surprising that the Lettermen's Dinner Dance, now a tradition at L.T.H.S., was one of the best ever.

Home Sweet Homicide

At 8:15 P.M. on March 25 and 26 in the Lockport Central Auditorium the curtain opened for the Senior Class Play, "Home Sweet Homicide."

The play was a murder mystery comedy. Three teenagers try to solve the crime of who killed Mrs. Sanford, and at the same time plot to marry their middle-aged, authoress mother to the police lieutenant. Who was the murderer? There were many suspects, but all was told at the end, when the real murderer, Mr. Cherington, was discovered.

Little Mary Sunshine

The combined choirs of Lockport Central and East presented "Little Mary Sunshine" on the nights of April 9th and 10th. Amidst the wilds of the Rocky Mountains, Little Mary faced the problems of a mortgage and the return of her savage Indian brother. With the help of the Brave Rocky Mounties and her dear maid Naughty Nancy, Little Mary overcame her troubles and regained her cheery outlook on life. The love between Nancy and Corporal Billy Jester added humor to contrast Mary and Captain Big Jim's love. The play ended on a happy note as a third couple, Madame Von Liebedich, an opera singer from Vienna, and General Oscar Fairfax realized their love simultaneously with the younger couples.

The Entertainers

In May the National Honor Society presented its annual talent show entitled "The Entertainers." The theme of the show was a television program complete with emcees and commercials. Student performances varied in a wide range from soloists in voice, dance, and instruments, to jazz combos to impressionists. The students of Lockport High deserve a well round of applause for their fine exhibition of talent.

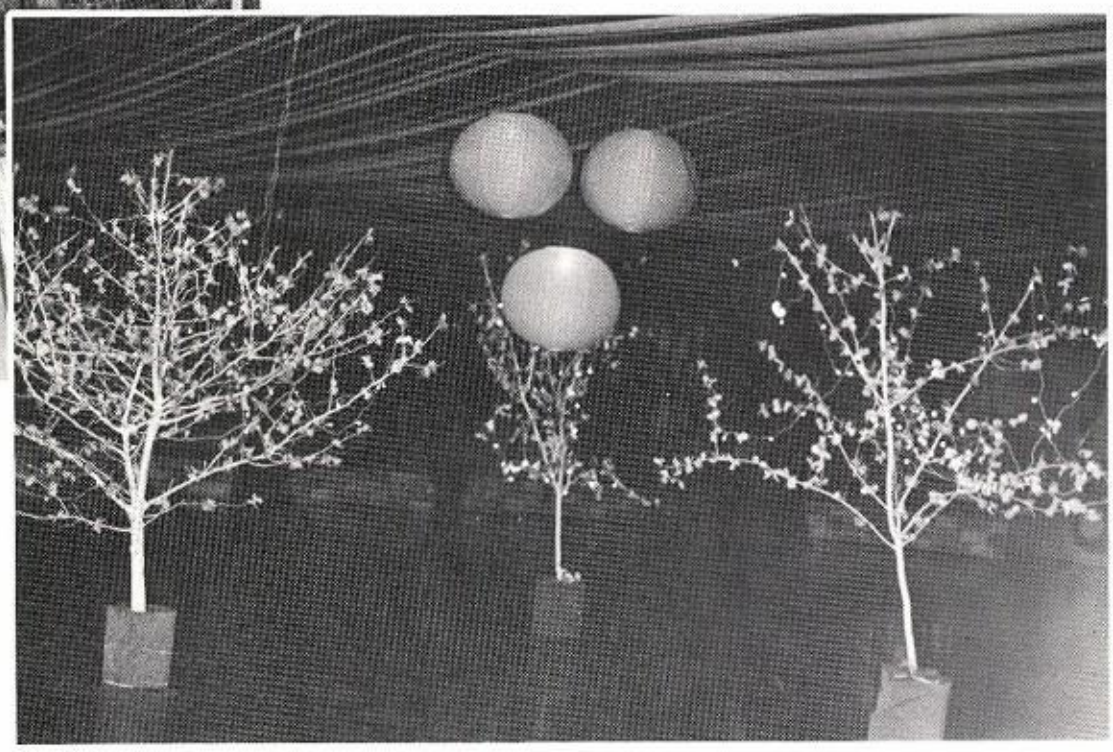
This entrance to the land of everlasting youth was the pathway to the oriental fantasy that was Shangri-La.

A dream world come true.



The enchanted garden, with its suspended lanterns and blossoming cherry trees enveloped Connie Beavon and Roger Anzzolin in this picturesque scene.

On the warm, bright, starfilled evening of May first, nineteen hundred and sixty-five, the Junior class of 1966 created a pool memories to flood the hearts of all who entered the lasting dream of Shangri-La.

The trellis of greenery led the way from the lavender mountains to the valley where people never grow old. Pink and white cherry blossoms filled the trees, and wistaria of orchid and purple entwined their way along the sides of this enchanted valley. The giant pagoda of red and black encased the alluring music of Wayne Englen's Orchestra.

Elaine Young and Dwayne London, the royal couple, surpremely reigned over the evening festivities.

But when all of these fond memories have faded or become blurred, we will look back to remember the wonderful and lasting friendships found in the land of enchantment that was Shangri-La.

Dave Moulthrop and Judy Wheeler decide to sit one waltz out.

Lynette Braun and her date dance romantically to the strains of the Wayne Engle's Orchestra.

Excellence

National Honor Society is a nation-wide organization for high school honor students. After being selectively chosen by faculty members for the four basic qualities of Character, Leadership, Scholarship, and Service, the students became active members through an impressive candlelit induction ceremony. Speeches were given about the history of NHS and its symbols, the keystone and torch as well as explanations of the four main requirements.

Under the expert guidance of Mr. Rippe, sponsor, NHS whirled its way through an eventful year. Aside from the monthly meetings, the Society gave a tea for the returning college students and presented a talent show entitled "The Entertainers." Musicians, vocalists, jazz combos, impressionists, and other local talent delighted the audience with their performance. The last official function of NHS was the initiation or "welcoming in" of the new members. The scene was a splash party and here the initiates learned to swim in full attire.

Fulfilling their responsibilities as model students, the members of the James McKinnon Smith Chapter of the National Honor Society will continue to keep their ideals of school and life high.

Inductees sign their names in the book, light the symbolic candles, and receive their pins at the Induction ceremony.

Freshmen John Lobick and Dave Young usher in the new members.

SOPHOMORE HONORARY: R. Wood, K. Beavon, P. Sippel, J. Czerkies, P. Mayland, D. Bitter, B. Matesi, M. De Pra, R. Pinnick.

NHS officers are Mike Murawski, Treasurer; Gary Bond, Vice-President; John Rogers, President; and Connie Beavon, Secretary. Sponsor is Mr. Neil Rippe.

Academically

Connie Beavon accepts the DAR Award from Mrs. Callen.

The Golden Jubilee PTA Scholarship was awarded to Debbeie Lindstrom by Mrs. Carroll.

Ability and desire to achieve are the main factors in winning awards. Outstanding students at Lockport Township High School display these qualities in four years of effort and attainment. The rewarding results are given to deserving students at the end of the Awards Day Program.

Connie Beavon, Mike Murawski, and Judy Davis receive recognition for the fine academic accomplishment in the National Merit testing program.

For his leadership and skill, Dave Meisinger well deserved the DeKalb Agricultural Award.

Because of her outstanding ability, June Cherry was awarded the Home Economics Award.

Inclined

Mrs. Stash awards woman's club scholarships to Mike Anzollin, the music scholarship, Jim Brandolind, the Art Scholarship; and Lana Carlson, the conservation scholarship.

American Legion finalists are C. Maske, P. Kornegger, C. Beavon, P. Morse, R. Anzollin, T. Zander, D. Lindstrom, M. Murawski, G. Bond, J. Kalmes, G. Damaska, and M. Dubrovich.

Judy Habenicht receives the woman's club scholarship from Mrs. Brubaker.

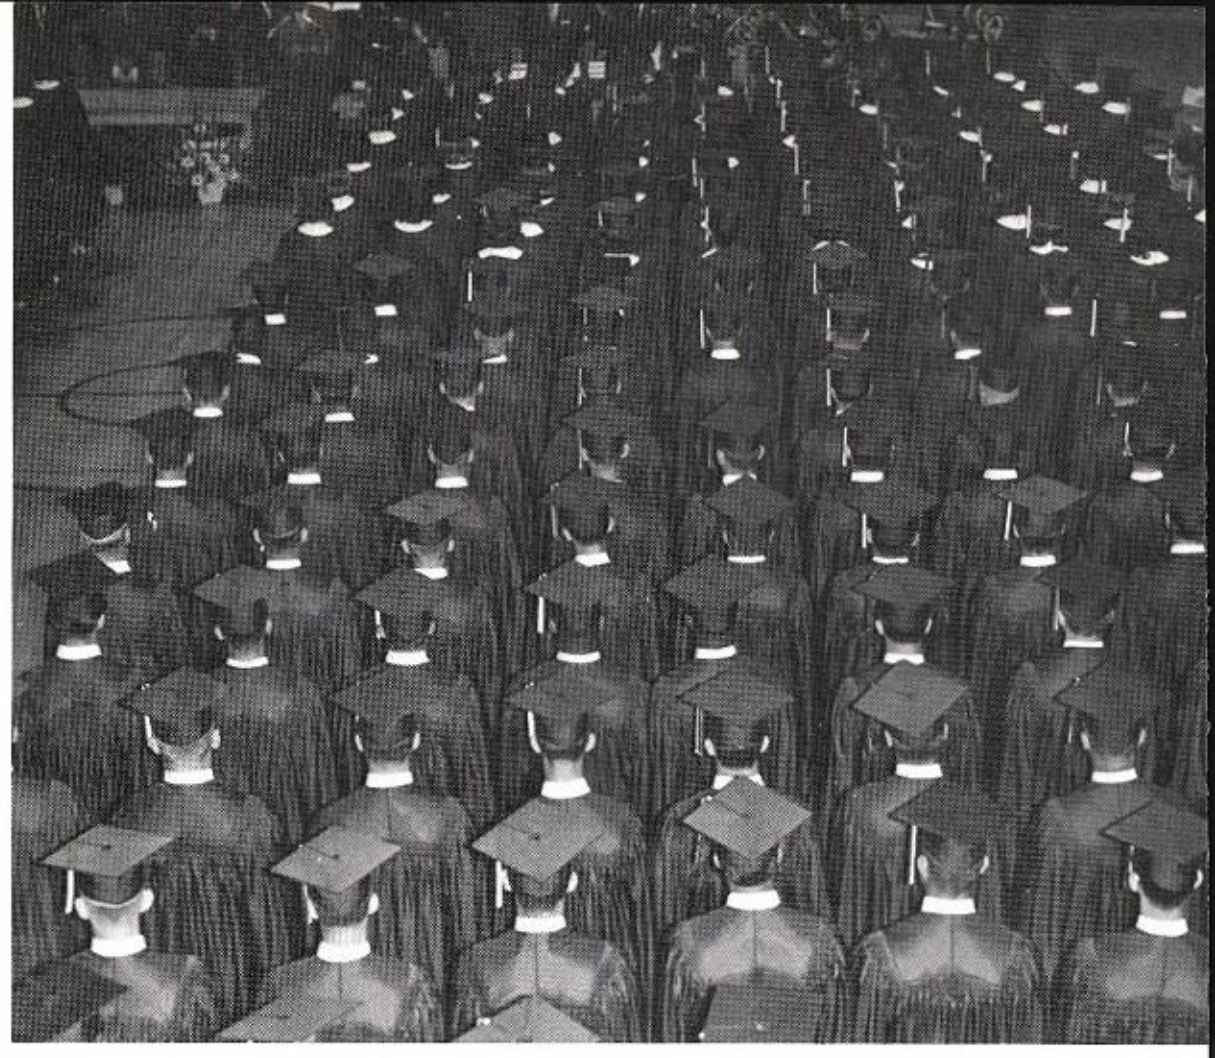
Quill and Scroll

Quill and Scroll is an organization for students who have put forth many hours of time and effort in order to make the high school paper and yearbook the interesting and informative publications they are. These students are selected from the LOCK and TIMES staffs by their editors and faculty advisors on the basis of their journalistic efforts. In co-operation with their editors, they work hard all year to create products of enjoyment and lasting memories.

TIMES QUILL AND SCROLL: *FRONT ROW*—S. Alderson, S. Greenham, E. Cialoni, J. Daviz, L. Levanich, T. Creed, B. Jacobson, N. Barker, C. Maske, P. Kornegger, R. Nagel, B. Rex, D. Lindstrom, D. Simmen, S. Skeldon, D. Apgar, L. Starr, L. Braun, J. Wymer, D. Peterson, K. Neal, S. Holt.

Selected by the graduating class, Jill Brown and Barry Anderson perform their duties as marshals.

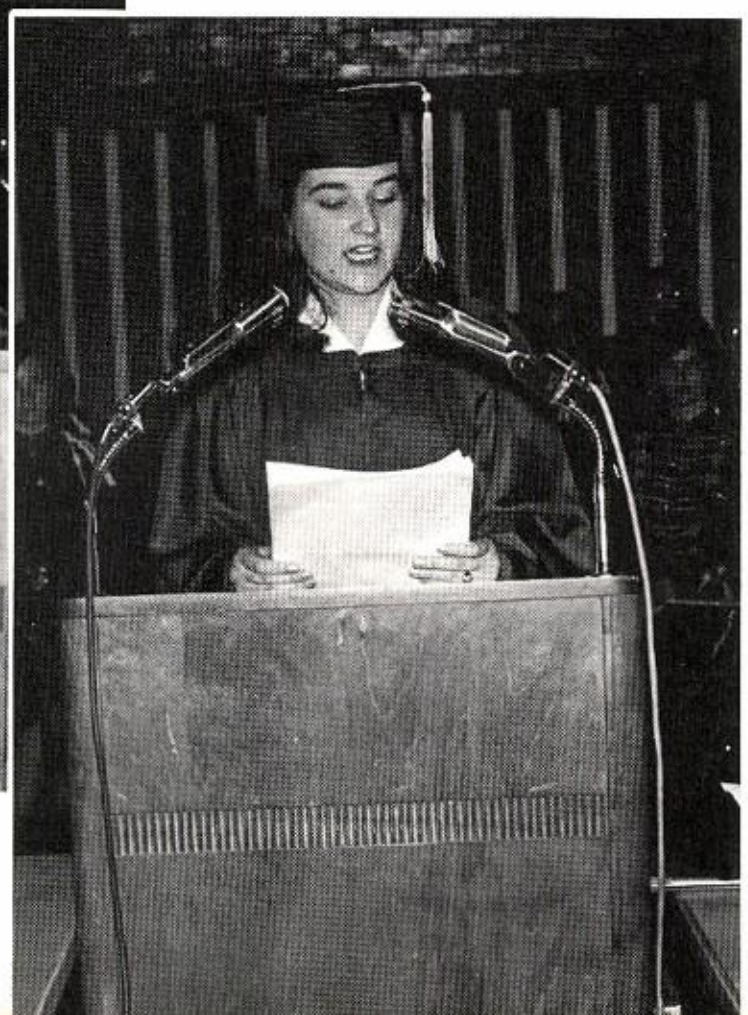


The seniors stand for their Class Creed.

Memories of the Past

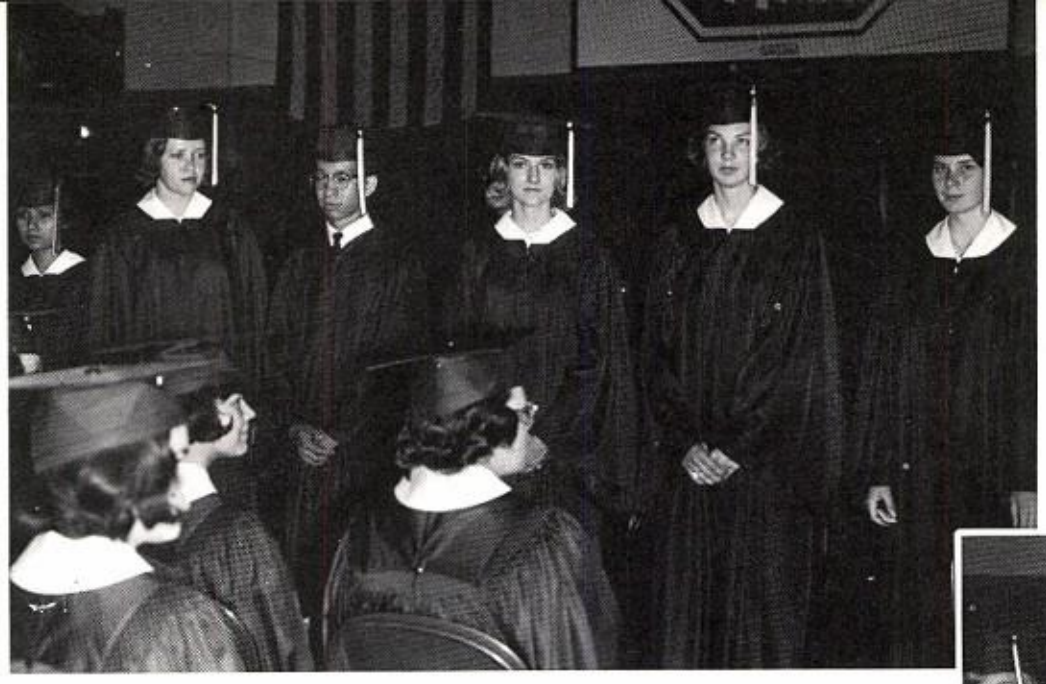
Graduation speaker Connie Maske speaks of the prism as memories of the past.

In her graduation speech, Connie Beavon speaks of the prism as thoughts of the future.



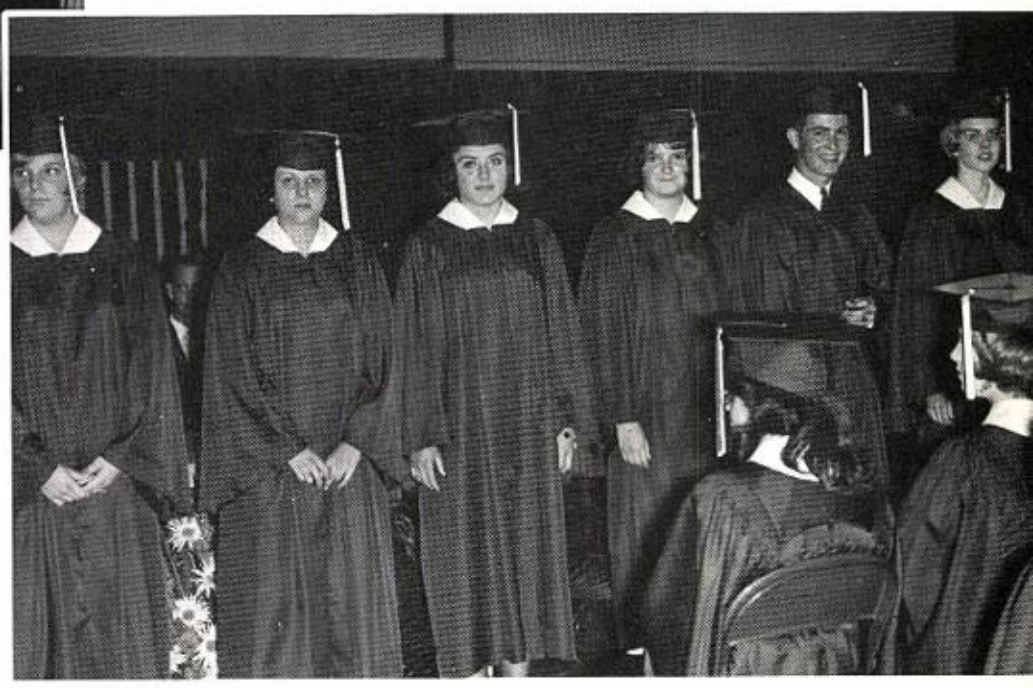
June 4, 1965 brought to an end an exciting era in the lives of over three hundred graduating seniors. The boys and girls of four short years ago are now young men and women facing the adult world.

The seniors have many memories to look back upon and enjoy. Managing to survive the hustle and the bustle, the confusion and the greenness of freshman life, they grew accustomed to the ways of the high school schedule. As experienced sophomores, they became better acquainted with one another. But by the end of the year, however, they found they had to separate on a note of friendly rivalry due to the split in schools. By their junior year, the class had established their scholastic and athletic potentialities. Many members of the class earned high awards and gained much recognition. The first-place Homecoming float, the fine play, and the beautiful Prom that they produced made evident the co-operation and the team spirit the class possessed. As seniors and leaders of the school, they again united to help have a much needed school built in South America.



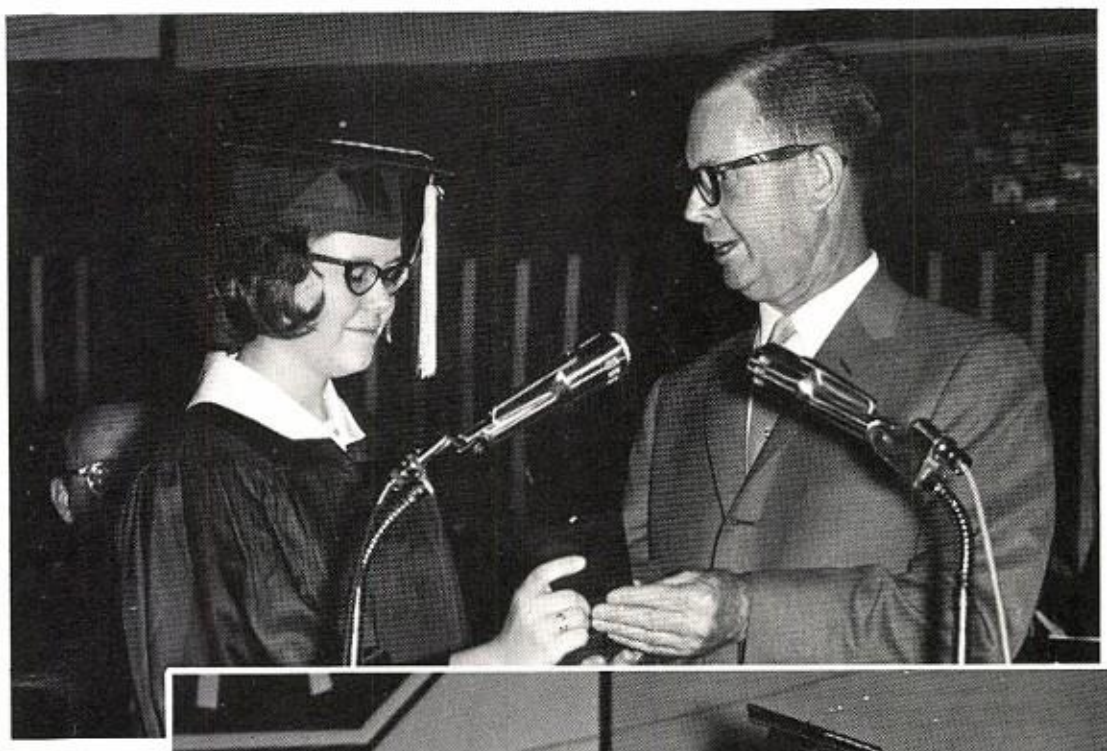
Those who succeed in going through four years of school without missing a day are awarded a gold medal. The Perfect Attendance winners are V. Zabala, A. Rodegheiro, L. Gonzalez, S. Alderson, N. Barker, and P. Drick.

Other Perfect Attendance winners are G. Meyer, R. Nagel, K. Sharp, D. Simmen, T. Stranberg, and S. Vanek.

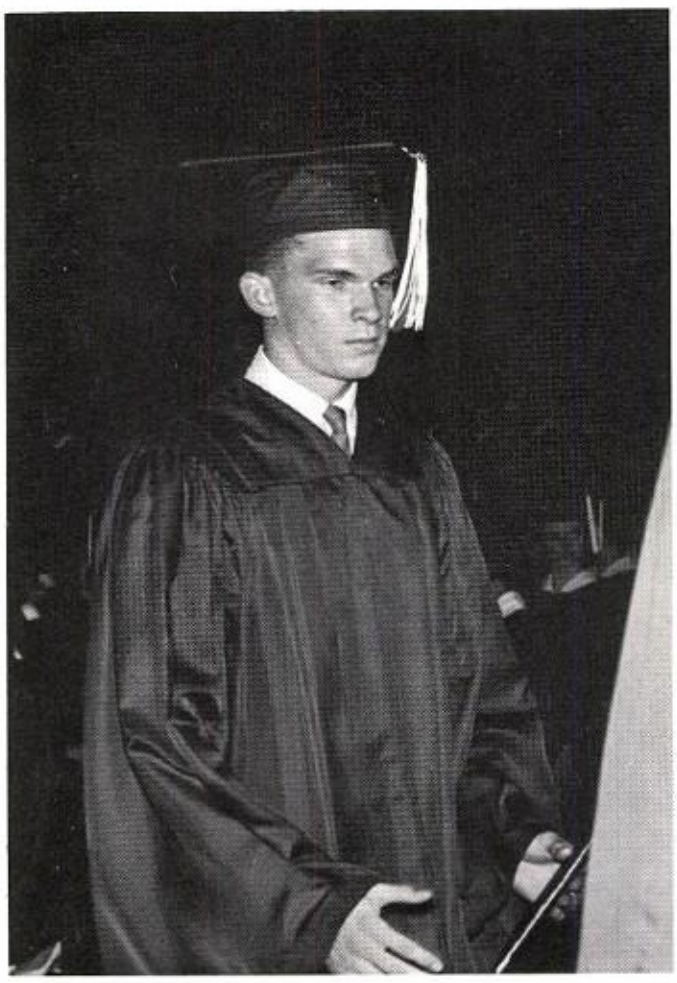


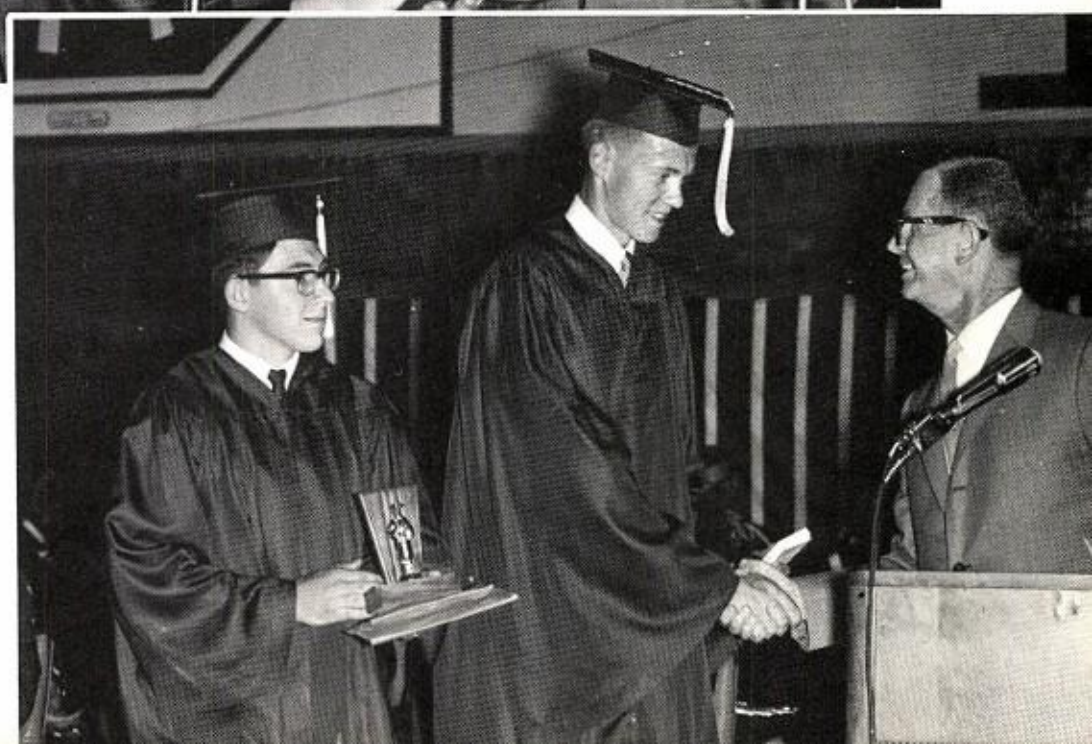
Thoughts of the Future

For her high scholastic achievement, Connie Maske was awarded valedictorian of the Class of 1965.



Jim Kraft receives his credit for four years of hard work and service.





Mel Scott and Jan Carter both earned the title of salutatorian. Mel was also chosen by the Joliet Section of the American Chemical Society to win the Senior Science Award. Jan also was presented with another award, the Bausch and Lomb Award.

For their co-operation, which has been invaluable in producing the LOCK 1965 we, the editors, would like to thank the following people:
